"seventy years and been in the continuous "service of the Government for fifty years, cides that the statute of that State which "shall be retired on pay."

Indignation meetings are not in the strictest sense deliberative bodies, where the law and the rights of person and property can be reposed with perfect safety. They are too impetuous for counsel and too lawless to be trusted with the administration of justice. They are only good as an opening for the effervescence of the brutal pas sions and instincts of human nature, and if indulged in at all, should be confined to that jurisdiction and use. Beyond that they cannot be trusted.

The new rules of the House of Representatives authorize the Committee on Agriculture to report the appropriations necessary for that Department, thus taking that

The March number of the Californian, a

The nomination of Grant at Chicago is in-

Texas, instructed its delegates to the State convention to east the vote of the country in favor of Grant for the first choice and Blaine for second. The supporters of General Grant come largely from the ranks of actual business men who have large financial interests at stake. The movement has been spontaneous and not forced by any political combinations.—Spring-field Union.

It is evident that if a strict expression of the southment of the convention had been taken it would have shown a greater leaning toward General Grant than the vote on Senator Fester's amendment would indicate.—

Syracuse Standard (Rep).

The preference for General Grant, for many color, &c., extends to and includes all branches of the State government, and all agencies of that government, executive, legislative and judicial. The case of a State judge excluding colored men from his last administration; indeed, they had sub-stantial reasons for dissatisfaction in the manner of appointments. But in regard to the great measures of the administration, affecting the credit and general welfare of the country, both his administrations commanded and still command their respect and gratitude. And if his name goes before the National Convention, and the sentiment of Massachusetts is fairly represented there, he is at least as likely to have their support as any other can didate now before the country.—Boston Transcript.
